

GCG Habitat for Humanity Landscape Project Report Form

The Garden Club of Georgia encourages Garden Clubs throughout the state to work with the local H4H affiliate to landscape homes in their communities. Upon completion of such a project, the following form should be used to document the work. This will enable our state chairman to submit a report to National Garden Clubs, Inc. Please apply for Garden Club of Georgia state awards and publicize your Habitat for Humanity activity in *Garden Gateways*.

District _____ Town _____ Completion Date _____

Return form to: Ina Hopkins
1819 S Lumpkin St #4
Athens GA 30606
