### Horticulture & Flower Show Procedure:

#### Jan Griffin

In Jan's own words: I was born, raised, and educated in the Seattle, Washington, area where my gardening interests evolved around growing food as well as flowers for the table. I always loved flowers and spent many hours finding out which plant did the best for what type of conditions. The Seattle area was a mecca for many different blooming annuals, colorful bulbs and wonderful evergreens. Upon moving to Florida in late 1989, I quickly learned those plants I knew all about would not thrive in Florida's climate. I joined a Garden Club and started my quest for learning about other varied and interesting plants. I continued my education by becoming a Flower Show Judge. Now an Accredited Master Flower Show Judge, I teach Floral Design classes as well as horticulture for Flower Show Schools. Being actively involved in The Florida Federation of Garden Clubs and Florida Flower Show Judges keeps me busy. I am serving as the Flower Show Schools Chairman for the State of Florida, a Vice President for the Florida Flower Show Judges, the Horticulture Chairman for District VIII as well as my club's treasurer. It has been my honor to serve as horticulture chairman for four state flower shows and several district shows as well as chairman of our yearly local Strawberry Festival Horticulture Show. My interests other than Garden Club are my family, golf and working in my friend's florist shop.

#### Design: Judy Binns
