About Kerry Ann Mendez

Kerry Ann Mendez is an award-winning garden educator, author, design consultant and proprietor of Perennially Yours based in southern Maine. As an exceptionally popular educator and communicator, she has presented hundreds of lectures to thousands of gardeners in 21 states. In 2014 she received the Gold Medal award from the Massachusetts Horticultural Society for “Exceptional teaching and writing that increases public enjoyment and appreciation of horticulture.” Kerry Ann has written four gardening books, the most recent being ***The Budget Wise Gardener*** and ***The Right-Size Flower Garden***. Her e-newsletters go out to over 10,000 subscribers throughout the United States. In 2016 Kerry Ann started producing international gardening Webinars that have been enjoyed by thousands. In addition to local design consultations, she also offers virtual design services to those in hardiness Zones 3 – 7. *“Kerry Ann Mendez has over 25 years of professional and personal garden experience with special interest in low-maintenance gardening. Kerry Ann is a garden author and lecturer who incorporates humor, abundant excitement, knowledge, and above all a passion for low-maintenance garden and landscape design. Kerry Ann is the perfect author to approach the topic of right-sizing a garden to fit changing life-styles. In her new book *Right-Size Flower garden: Simplify Your Outdoor Space with Smart Design Solutions and Plant Choices* Kerry presents a step-by-step method to create a garden in balance with your lifestyle.”* **Dr. Steven Still**, Executive Director, [The Perennial Plant Association](#); former professor of landscape horticulture, the Ohio State University.

“No one is more enthusiastic than Kerry Ann Mendez about helping homeowners understand how to create low-maintenance gardens for their property. Her books and lectures provide practical information about what’s the right plant for the right place, while showing how to make the whole composition sing.” **Julie Moir Messervy**, award winning author, garden designer and owner of [Julie Moir Messervy Design Studio](#).

Any time I can save money on my gardening obsession I’m happy. But getting the dirt on great garden-related deals from Kerry Ann Mendez will always get my attention. As a talented designer and frugal gardener, Kerry Ann’s advice is money in the bank and well worth my time. **Joe Lamp’l, Founder - joegardener.com and Creator / Host - Growing a Greener World on national PBS**
