

Here's The Buzz . . .

## Azalea District

**Awards/Leadership Workshop**  
Presented by the Garden Club of Georgia  
Wednesday, July 19, 2023

GCG Headquarters  
2450 S. Milledge Ave.  
Athens, GA 30602

This workshop is recommended for all District Board members, Club and Council Officers, Awards Chairman, and all other interested club members. The meeting is from 10:00 am to 2:00 pm.

It is important to learn more about how garden clubs in Georgia work. What are the roles of various officers? How do we conduct more effective meetings with parliamentary procedure? What has changed in the revised President's Report? GCG President, Lisa Hall, and her team will be providing instruction in Leadership.

You will receive a printed copy of the new GCG Awards Handbook and will learn the new process for applying for GCG Awards. If you wish to work on an actual award application at the workshop, please bring your laptop and have a downloaded GCG Award Application Form from the GCG website. Bring any photos and information you want to use in the application. Please bring a one inch three-ringed notebook for your handouts.

**Registration and Coffee -- 9:30 am**

**Workshops start promptly at 10:00 am**

**The Registration Form is on the next page.**
