Benefiting Non-Profits

Renegade Paws Rescue is a 501c3 volunteer-based organization dedicated to providing care for unwanted and abused dogs.

Arts Southeast is a 501c3 whose mission is to make Savannah a destination for art and culture by supporting established and emerging artists.

The Isle of Hope neighborhood has one of Savannah's most beautiful streets, Bluff Drive, lined with cottages and mansions on one side and docks and sailboats on the other. Isle of Hope is 7 miles from Savannah's historic district and was established in the 1850s as an escape from Savannah's heat and bugs. Magnificent live oak trees hundreds of years old dot the neighborhood; Isle of Hope has one of the largest displays of Camellia in Savannah.

Guest Speakers

Sponsored by the Parkersburg Garden Club and Hester and Zipperer Nursery

Enjoy 15-minute talks by our Garden specialists behind St. Thomas. Seating and Shade are available.

11am: Britany Dodge from Ogeechee Audobon will speak about garden wildlife.

12pm: Terry Beasley from Oelschigs Nursery will introduce us to perennials.....

1pm: Emilie Miller will share her love of camellias. She is the secretary of the Camellia Society.....

2pm: Jenni Brody from the Deep South Orchid Society will tell us about exotic orchids.....

3pm: Ben Chaffee is a permaculturist and will talk about native plants.....

Savannah Garden Tours is an all-volunteer, all-for-charity self-guided tour. This year, we will tour ten special Isle of Hope Gardens.

2023 is the 3rd year Savannah Garden Tours will present a self-guided tour of special gardens. For the first two years, the tour took place in the Habersham Woods neighborhood of Midtown Savannah.

It took the work of 70 Garden hosts and sponsors and volunteers each year to make the tour a success.
