APPLICATION DUE: FEBRUARY 1 GUIDELINES FOR THE GARDEN CLUB OF GEORGIA

The Garden Club of Georgia, Inc.

SCHOLARSHIP GRANTS ADMINISTERED BY THE GARDEN CLUB OF GEORGIA, INC.

PURPOSE: To provide financial aid to qualified Georgia college students majoring in any garden related subject in an accredited college or university in Georgia. College/university must be listed on the official website of the U.S. Department of Education www.ed.gov/accreditation

FUNDS: Proceeds derived from fundraising, invested interest income, and other donations as available annually continue to provide funding for scholarship grants. On average, GCG has awarded more than \$50,000 annually in scholarship grants since the 2007-2008 terms.

GRANTS: The scholarship is an annual grant for the full school year and is dispersed to the designated schools by July 15. Funds are dispersed by the school to scholarship recipients with one-half paid per semester beginning in the fall. Students are eligible to reapply for a scholarship grant as long as the student remains in good academic standing and the need is still apparent.

In the event of a change in major to other than garden related, if the student drops out of school, or moves out of the state, the balance of the funds must be returned to The Garden Club of Georgia, Inc.

\$5,000 - Hubert B. Owens Scholarship

TBA - Brown Thrasher Scholarship

\$3,500 - Founders Memorial Scholarship

TBA - Cherokee Rose Scholarship

TBA - The Garden Club of Georgia, Inc. Scholarships

TBA - Various Named Scholarships

JUDGING: The selection of scholarship winners is made by the Scholarship Committee of The Garden Club of Georgia, Inc., and is based on the following criteria:

- | | |
|--|---|
| Academic Record (40%) | Transcript of grades required. An original hard copy is necessary. Emphasis placed on the strength of courses related to students' major in horticulture or allied field. |
| Applicant's Letter (25%) | Discussion of background, goals, personal commitment to chosen career, and financial need should be included. Please limit it to two (2) typewritten pages. Print one-sided, only. |
| Financial Need (15%) | UGA students use athena.uga.edu to view and print your financial aid and award information in addition to completing the Financial Aid form. Other schools may have a similar portal to obtain financial aid information. Your OSFA advisor will accept the GCG form if you have submitted a Scholarship Consent to Release Information to OSFA. <u>This form must be completed and submitted with your application.</u> |
| Extra-Curricular Activities List of Honors, and Work Experience (13%) | This information should be supplied on a separate sheet of paper and not listed within the body of the applicant's personal statement. Three years is sufficient. |
| Recommendations (5%) | Two (2) letters of recommendation, each limited to one (1) typewritten page is required. Please date letters prior to February 1. <u>References must use "Dear Scholarship Committee" or "To Whom It May Concern" in the salutation rather than to The Garden Club of Georgia.</u> A more generic letter and NOT referencing The Garden Club of Georgia anywhere in the letter will allow the student's application, if selected, prompt submission to The National Garden Clubs, Inc. for scholarship consideration. |
| Conformance (2%) | Points deducted from the application if instructions are not followed or arrives late. |
