Dear

Congratulations! You have been gifted a one-year Subscribing Membership to The Garden Club of Georgia, Inc. (GCG). A Subscribing Member is committed to GCG purposes and objectives without the necessity of becoming a member of a local garden club or attending meetings.

Subscribing Members are eligible to participate in all programs and events available to the general membership without the privilege of a vote. You will receive a quarterly *Garden Gateways* magazine advising of our many events, activities and projects.

We are honored to have you join us as we support the three-fold GCG mission—**Beautification** of our communities, **Conservation** and protection of our natural resources **and Education** on multiple subjects to make us better informed citizens protecting our environment for future generations.

Welcome to GCG membership.

Sincerely,
