Amended April 13, 2021

P. COMMUNITY SERVICE

GCG encourages its clubs to become involved in community service projects. Those projects focusing on our mission statement of Beautification, Conservation and Education are of prime importance. However, other activities that provide benefit for the needy/elderly/veterans/children are also encouraged – and credit will be given on the Annual President’s Report of Garden Club Achievements. These have historically included decorated felt stockings/eggs for residents of hospitals, senior centers, veterans’ homes or boys/girls’ clubs; fig leaf donations; holiday projects for various institutions; and tab tops for Ronald McDonald Houses. GCG Presidents may choose new special projects during their term or continue those of previous years.
