**Historic gardens and landscapes in Georgia (at least 50 years of age) may be eligible for 50/50. Research is essential. Grants will only be awarded to projects that are historically documented. Speculative landscapes will not be funded.**

On ***no more than two pages***, describe the project and the work to be completed with grant assistance.

Include the Following:

- Physical Condition of Site.
- Brief History of Property.
- Project purpose and goals.

Project scope (if funding for garden/landscape restoration is requested, state how plans were developed and how plants were selected?)

What is the basis for restoration activities?

Threats to site and degree of urgency for project funding?

Previous or current planning activities for property. Have any planning documents been prepared? Is the proposed project part of a defined goal for the property?

Long-term management/maintenance support for property.

Impact of project to the community.

Breakdown of project budget.

The application package should include:

Location Map

IRS Determination letter

Letter of support from community or civic leaders

Only 1-4 current photos of various views of project

Additional support materials, if available (newspaper articles, historic photos, etc.)
