

66th Azalea District Annual Fall Meeting

*You are invited to Support the
work of the Azalea District*

The Garden Club of Georgia, Inc., one of the largest state garden clubs in the nation, boasts close to 350 clubs in the state and almost 9,000 club members. The Azalea District is one of seven districts within GCG and represents 43 clubs from Hartwell to Gray. We are devoted to spreading “Beautification, Conservation and Education.” All community service is conducted by our all-volunteer organization. Clubs invest their time beautifying their neighborhoods, welcome centers, state parks, public facilities and much more. Our state scholarship program offers over \$85,000 annually to college students seeking degrees in landscape, botany, horticulture and environmental science.

Our unique history goes back to the first garden club in the nation, The Ladies Garden Club, founded in Athens in 1891. The GCG state headquarters is located on the grounds of the State Botanical Garden. We are affiliated with the National Garden Club, Inc., but primarily function on the local level through individual garden clubs. In addition, we have installed Gold Star and Blue Star Markers throughout the state and hosted educational programs advancing certificates in landscape architecture, gardening, and floral design.

You are invited to support the good work we do by becoming a sponsor of the **66th Azalea District Annual Fall Meeting**. Your business name and/or logo will be placed in the Program and in a video presentation for all attendees to view. We will invite them to visit your place of business before heading home.

Attached is a Donation Form for you to review and choose your level of sponsorship. As a non-profit 501(c)(3), your donation is tax deductible. All funds will be used for meeting expenses and special projects within the Azalea District.

Please complete the attached form and return it, with your donation, to Ina Hopkins: Azalea District Annual Meeting Chairman, by September 15, 2025, to be included in the program and video presentation. Make checks payable to Azalea District marked 2025 Fall Meeting.

Thank you for your support!
